WORKING EXPERIENCE

Undergraduate Employee - Illinois State WEB - *June 2017 to Present*

Work closely with the dev and content teams on various tasks such as writing Node.js scripts or helping maintain the websites of the university. Work with HTML and JS daily.

IT Intern - G&W Electric - *May 2016 to Aug 2016*

Worked with the IT department on various projects relating to computer infrastructure. Completed my first HTML/CSS/JS project which was an intranet video player called G&W I-Tube.

Front of House Team Member - Chick-fil-A - *Aug 2017 to Present*

Duties include manning the front counter registers, handling dining room responsibilities, and drive-through. Interact with customers frequently and work in a very hectic environment.

Maintaining Engineering Intern - G&W Electric - *May 2015 to Aug 2015*

Revised company technical drawings using CAD as well other projects relating to improving existing products.
